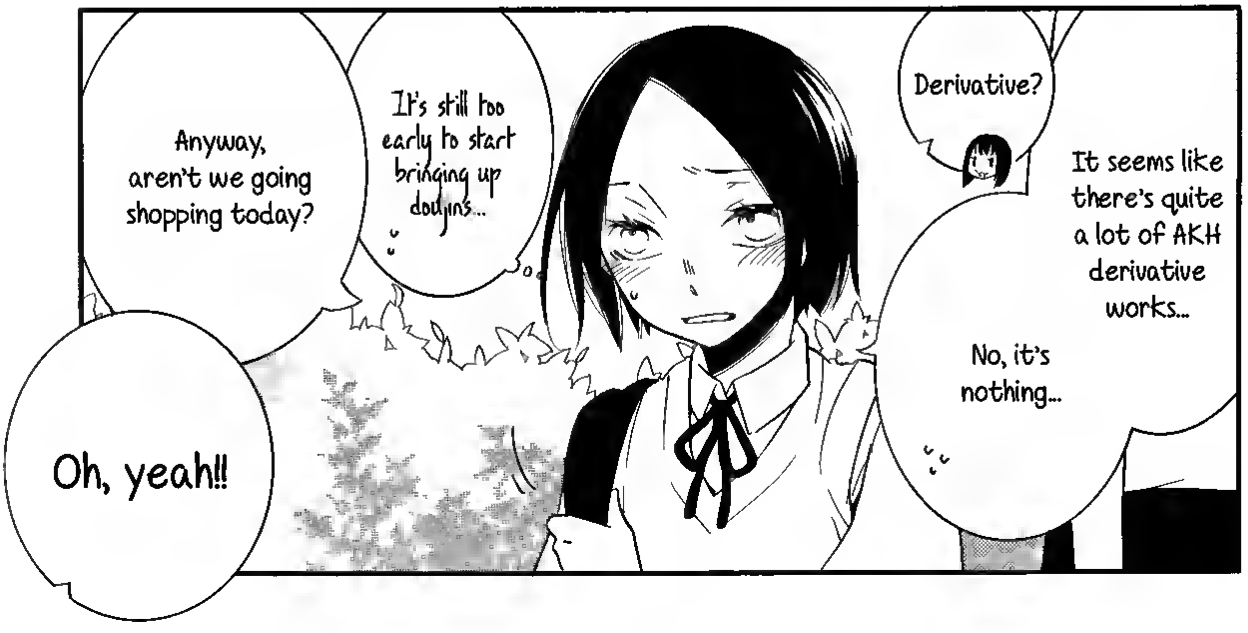
This story is about...

An anime idol otaku high school girl who's fallen in love with a real idol otaku high school girl.

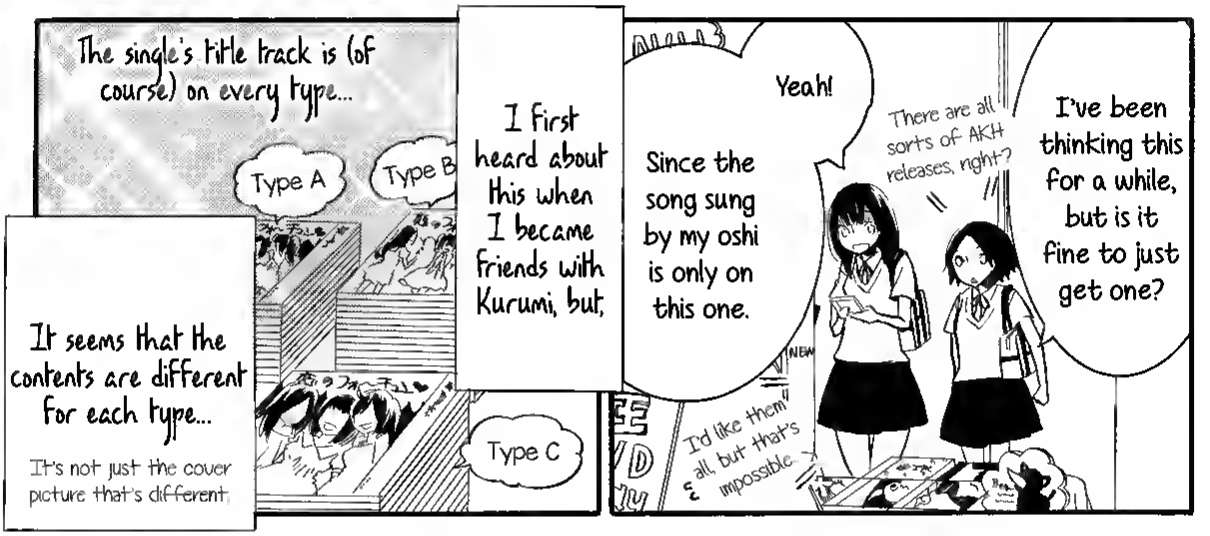
Let me explain!!
Love-Idol is an anime about school girls aiming to be top idols.
Hm?
What were you reading?
It's a Love-Idol novel.
Sorry, did you wait long?
The student council meeting wouldn't end...
It's fine, I had a book to read.
Moe-chaan!!

Let me explain!!
AKH refers to AKB49, an idol group active in the center of Akihabara. It has more than 300 members both in Japan and abroad.
I wonder if they'll make one for AKH, too...
HMMM...
They even made a novel...
I guess it's not just an anime.



Anyway, aren't we going shopping today?
It's still too early to start bringing up doujins...
Derivative?
It seems like there's quite a lot of AKH derivative works...
No, it's nothing...
Oh, yeah!!

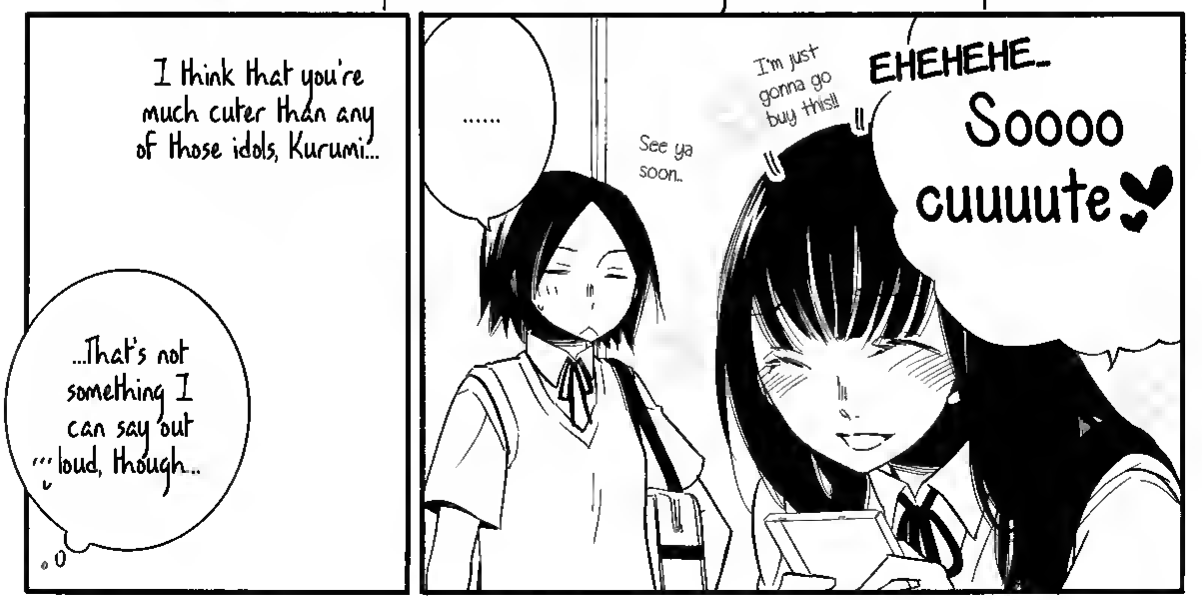
Today is Tuesday. The day for CD early releases☆



The single's title track is (of course) on every type...
Type A
Type B
Type C
It seems that the contents are different for each type...
It's not just the cover picture that's different.
I first heard about this when I became friends with Kurumi, but,
Since the song sung by my oshi is only on this one.
Yeah!
I'd like them all, but that's impossible...
There are all sorts of AKH releases, right?
I've been thinking this for a while, but is it fine to just get one?

..And so, it seems you buy the CD with a B-side sung by whichever member you're supporting... (at least, that's the case for Kurumi)

*However, with Regular/Special Editions, the included songs will be the same, but the extras will be different! Special→ Handshake tickets, Regular→ Non-retouched photos, etc...



I think that you're much cuter than any of those idols, Kurumi...
...That's not something I can say out loud, though...
.....
See ya soon.
I'm just gonna go buy this!!
EHEHEHE~
Soooo cuuuute♥

....
Jomy Records
Bye-bye!!
Haa...
and on that day, as usual, I'd tried to avoid anyone finding out when I went to buy a Love-idol CD...
I'm a so-called "closet otaku",

Ah...!
Cuuute...
ran into me with the worst possible timing...
Here is your pre-order bonus card and clear file.
!?
Eh?
Erh?
But then in that shop,
purely by chance, Satou Kurumi from the next class
By the way, why did I know who Kurumi was...? Well, that's because Kurumi's voice is exactly the same as Komatsu Haruka's (voice actress)...
Riko the 6th was so cute
Ah! But I did see the 0049 anime!
So as a pair of closeted idol otaku, we soooooomehow started chatting with each other...
Well, I'm an AKH otaku
But Kurumi is also an idol otaku,
for real idols, though...
So uh, I like anime...
When there's, like, a concert scene I can't help dancing
Eh!?
How should I say it...
We've spent a lot of time together and ended up with lots to talk about.
I also burned her some DVDs of TV rips for season 1...
but she tried her hardest to study up for me...
Kurumi didn't have much interest in anime,
The last episode of season 1 made me cry...
Seriously?
Sniff...
Lately she's been watching season 2 every week...

...I ended up thinking things like that...
She's so cute...
KILL ME NOW
am I reminiscing...
It's creepy
Why...

Clench
Positive,
and
cute,
and cute
and cute
and cute
and... no,
she's seriously,
irresistibly cute
Ku-ru-mi!!
It's
peaking
got all 5
of which, Love-Idols,
Moe-chan, so you can
you
cheer for
look like all of them
Ran-chan
Eh!?
I love the
SZ OP
Always
cheering with
everything
she's got...
With eyes
whose sparkles
fill me with
brightness...
I can't let her
catch me looking
at her with
lewd eyes!!!
Yeah.
end

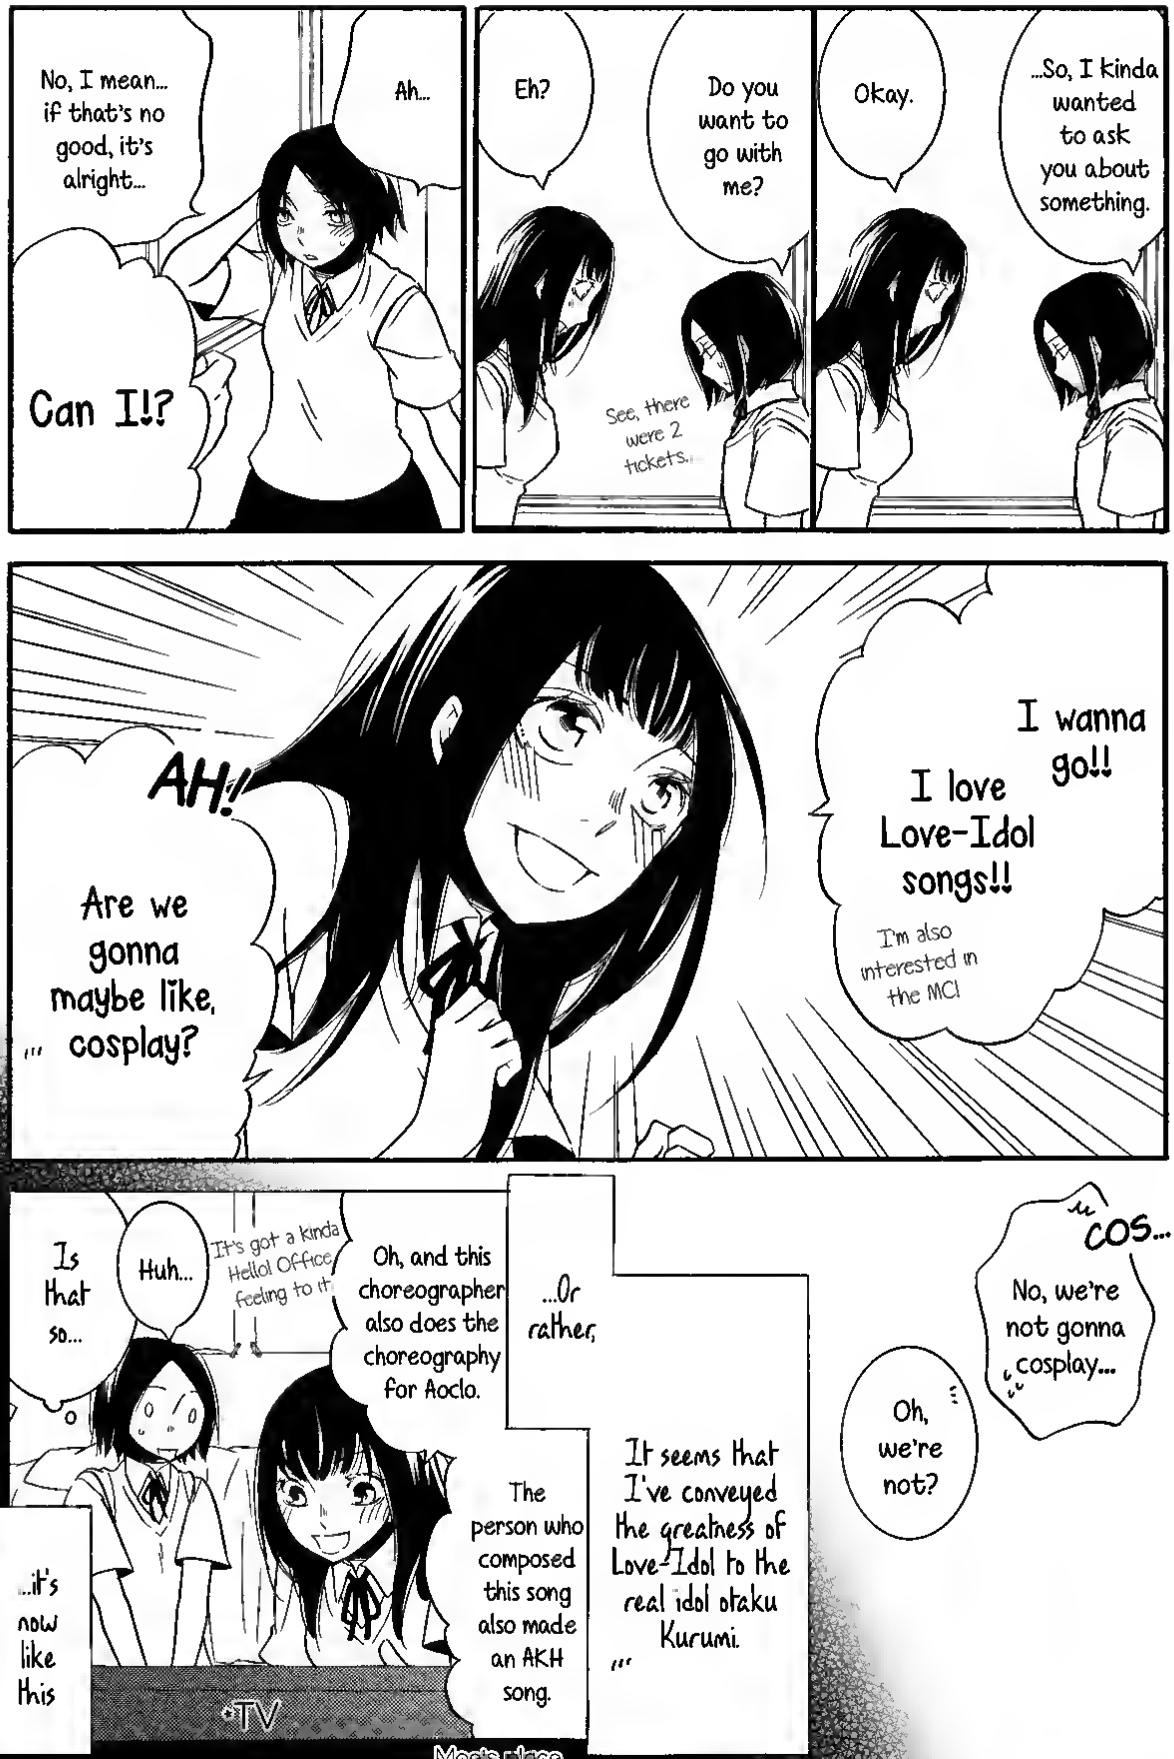
Hello, Takemiya Jin here.

This summer's Takemiya doujinshi
is tied to idols.
...This doesn't mean I'm going to tie up idols.
I mean it's an idol-related doujinshi.

...But even if I say that, this book is
high school girl idol otaku yuri, so
strictly speaking it's not tied to idols.
Please forgive me.

Cuteness is justice.
Thank you very much.
Thank you very much.

Eh?
EHHHH!?
Eh?
From Love-Idol Concert Executive Committee
Lottery Results for Tanaka Moe-sama
You have won tickets
•GSA (Gunma Super Arena)
•Ticket type and number
Eh?
You got tickets to the live at Gunma Super Arena!?
For Love-Idol!?
Amazing! The tickets were really sold out, right!?
Hyaa~!
I was surprised too...
Yeah...



No, I mean... if that's no good, it's alright...
Ah...
Can I!?
Eh?
Do you want to go with me?
See, there were 2 tickets...
Okay.
...So, I kinda wanted to ask you about something.
AH!!
Are we gonna maybe like, cosplay?
I love Love-Idol songs!!
I wanna go!!
I'm also interested in the MC!
Is that so...
Huh...
It's got a kinda Hello! Office feeling to it
Oh, and this choreographer also does the choreography for Aoclo.
...Or rather,
The person who composed this song also made an AKB song.
It seems that I've conveyed the greatness of Love-Idol to the real idol otaku Kurumi.
...it's now like this
TV
Moe's place
Oh, we're not?
COS...
No, we're not gonna cosplay...

My knowledge has increased and I'm having fun...
Like glow sticks... (In the right colour)
Should we get the stuff you need for concerts ahead of time?
Hmm.. We can buy those there... but... should we wake up early?
Yeah, let's!!
Kya! きゃ、
Kya! きゃ、
Look, look! I love this part
I was checking the voice actors, but I hadn't thought to check the choreography.
Lately I've also started looking into the 3D-side of things more
..Maybe it was a good thing someone found out I was an otaku.
But that's limited to Kurumi ☆ Sparkle
OHHHH...
We're seated behind the stage
Ah...
Sorry we're not facing it directly.
.....
Sometimes Kurumi turns into a middle-aged man.
THAT'S TOTALLY OKAY!!
We're lucky that we get to see their asses
For the whole show!!
SOLD OUT

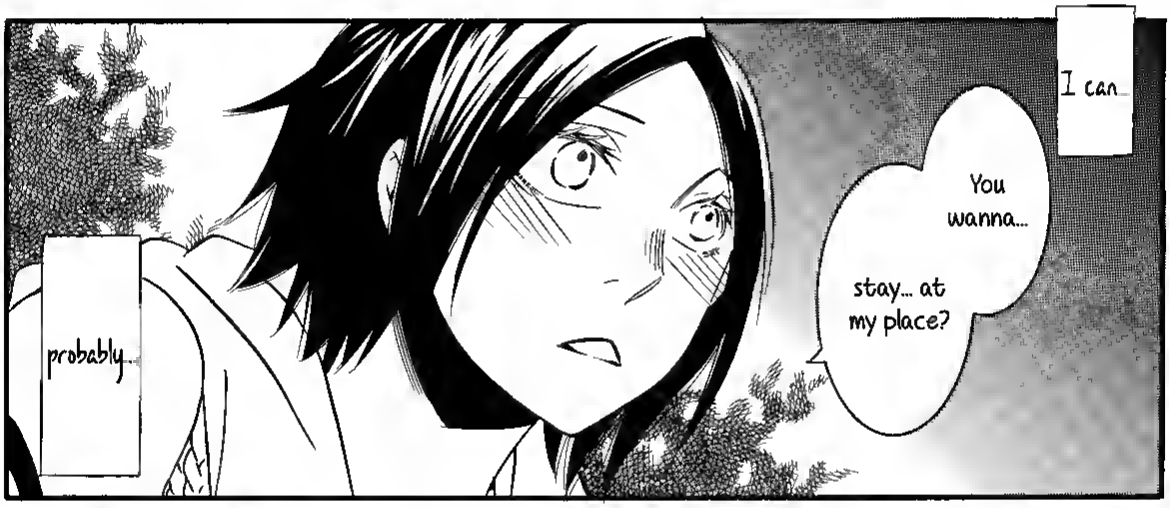
Thank you all for attending today's Love-Idol concert..
The announcer is Nina-chan right?♥
Whoosh
Ahh

I'm so glad I managed to invite her.....

Haaaaa...
Eh?
Hm?
No, I didn't really practice?
I just copied what everyone around me was doing~
And it's the same as PPPH!~
I did listen to the songs everyday, but...
Seriously!?
And what's PPPH!?
And I even ran out of stamina halfway through...
Same here...
UGH...
My muscles are gonna be so sore tomorrow~
..But anyway, did you practice the arm movements ahead of time?
You were perfect.
They took off their concert t-shirts

Eh?
That was so much fun that I don't really wanna go home...
...But anyway...
...Just kidding.
...NO, THERE'S NO DEEP MEANING, THERE'S NO DEEP MEANING, THERE'S NO DEEP MEANING, (ENDLESS)
Thank you so much for today.
I had sooo much fun
Next time, let's go see an AKH show 'kay
Well, see ya...

later.....
LOVE♡DOL



I can...
You wanna... stay... at my place?
probably...

get away with this much of an ulterior motive...
Right?
Can I!?
Yeah...
AH...
In that case!

Let's take a bath together♥
Huh?
N...
How did we get to that!?
NO WAY, NO WAY, NO WAY, NO WAY!!
EHHH...

Have Itoh also shared a bath, right♥
